GREAT DEAL If there are 8 of you – everyone pays only \$218.75 for two days, all digitals!

What does private client photography include?

Your own personal paparazzi from tacking up, to warming up, to the show ring, to big pats, to laughing with friends and family, and beyond to capture all of those show day moments – not just your ten minutes of riding!

All packages include all digital images taken for social media use.

**Must not conflict with any official show or clinic photographer
